

Pre-Registration Livestock Forms

The following are instructions for completing Pre-registration forms for Livestock at The Lincoln County Fair.

1. Find your species, (sheep, dairy, beef, etc. and read all information related to the animals you are going to show.
2. You may fill out all of the form on the computer, then print and submit to the address listed on each form.
3. Begin by placing your mouse in the blank you need to fill out. Start with farm name, address, etc.
4. After completing your phone number, go to the breed category. Type in the breed you are showing. You may then tab through each column until finished. The Department is already listed for you. When entering 4-H, Open, or bred by exhibitor columns just left click your mouse and a check will appear. You may remove a check by left clicking again. Fill in the birthday in the (mm,dd,yy) format. Enter animals registration number and you are ready to go to the next animal. When your form is complete, print 2 copies; 1 for your records and 1 for the fair.
5. If you have more than 8 animals to enter, you need to click on the 2nd page of the entry form and continue until you have all animals entered.
6. After every animal is entered, go to the bottom of the original entry form and enter the number of animals you have entered and your entry fees will automatically be figured. Make a check payable to Lincoln County Fair for that amount and enclose the check and entry forms to the address on the forms.
7. **Don't forget to postmark by August 15.**
8. **If you are showing more than 1 species, fill out forms for each.**
